

MANABENDRA BISOYI

Full-Stack Developer | React.js | Next.js | Node.js | PostgreSQL

+91 8917453166 | manabendrabisoyi19@gmail.com | Bhubaneswar, Odisha, India

PROFESSIONAL SUMMARY

Results-driven Full-Stack Developer with hands-on production experience building secure, scalable web applications using React.js, Next.js, Node.js, and PostgreSQL. Skilled in architecting RESTful APIs with Express and Prisma ORM, implementing robust authentication systems (JWT, Cookie-based Auth), and delivering high-performance responsive UIs with Tailwind CSS, TypeScript, and React-Bootstrap. Experienced in end-to-end application deployment on Vercel with cloud databases (Supabase, Neon DB). Proven track record of improving page load times by 25% and boosting user engagement by 20% through performance optimization and modern frontend practices.

KEY SKILLS

Frontend: React.js, Next.js (App Router), TypeScript, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, React-Bootstrap, Framer Motion

Backend: Node.js, Express, Next.js API Routes, REST APIs, Prisma ORM, JWT Authentication, Cookie-based Session Management, NextAuth.js, bcrypt

Database & DevTools: PostgreSQL, SQL Optimization, Supabase, Neon DB, GitHub, Postman, Vercel, VS Code, Apache JMeter, Google PageSpeed Insights

PROFESSIONAL EXPERIENCE

Triptales Commercials Pvt Ltd (DIALURBAN)

Junior Software Developer

Bhubaneswar, Odisha

Aug 2024 – Present

- Architected and deployed RESTful APIs using Node.js, Express, and Prisma ORM with PostgreSQL on Neon DB, reducing average query response time by 40% through SQL optimization and efficient schema design.
- Built dynamic, responsive user interfaces with React.js, Next.js, TypeScript, and Tailwind CSS, increasing user engagement metrics by 20% and achieving 95+ Google PageSpeed performance scores.
- Implemented end-to-end JWT and cookie-based authentication flows with bcrypt password hashing and NextAuth.js, securing 100% of API endpoints and eliminating unauthorized access incidents.
- Optimized full-stack application performance through load testing with Apache JMeter and deployment on Vercel, reducing page load times by 25% across mobile and desktop platforms.

Triptales Commercials Pvt Ltd (DIALURBAN)

Software Testing & Technical Support Intern

Bhubaneswar, Odisha

May 2024 – Aug 2024

- Maintained and enhanced responsive web pages using React.js and React-Bootstrap, improving cross-device compatibility across 15+ screen resolutions and reducing UI bug reports by 30%.
- Conducted comprehensive performance and load testing using Apache JMeter and Postman, ensuring platform stability under 2x peak traffic loads and validating REST API response integrity.
- Collaborated with cross-functional development teams to identify, document, and resolve critical production issues, reducing average resolution time by 35%.

KEY PROJECTS

Property Webpage Admin Panel | Next.js, Node.js, NextAuth.js, PostgreSQL, Tailwind CSS, Prisma, Vercel

- Engineered a secure Admin Dashboard with full CRUD operations using Next.js API Routes and Prisma ORM, managing 500+ property records with role-based access control via JWT and HTTP-only cookie sessions.
- Designed a centralized PostgreSQL database schema on Supabase to manage property metadata, SEO configurations, and real-time inquiry tracking with optimized SQL queries.

Property Sales Platform | Next.js (App Router), React.js, PostgreSQL, Tailwind CSS, REST APIs, Vercel

- Developed a full-stack client-facing application with Next.js App Router, implementing advanced search filters, dynamic routing, and server-side rendering for improved SEO and 50% faster initial page loads.
- Migrated legacy React.jsx codebase to Next.js with TypeScript, leveraging dynamic route segments and API route handlers, validated extensively via Postman for data integrity.

EDUCATION

B.Tech in Civil Engineering | Odisha University of Technology and Research | CGPA: 8.44/10

2019 – 2023
